Sir,

Adverting to Government Proceedings No.J.1599-1611/Pris 15-4 dated 19th December 1904, raising the age limit of the Juvenile offenders from 16 to 18 years and making arrangements for their education in the Bangalore Central Jail &c. I have the honor to state that after a careful consideration of the question, I agree with the opinion of the Superintendent of the Bangalore Central Jail and to report that the only satisfactory way, in fact, the only possible way to carry out the Government Order quoted above, in regard to the segregation of Juveniles is, to build a small separate residence for them. Meantime, they sleep separately from the adult convicts, but they have still to associate with them, more or less, by day.

2. A copy of letter No.251 dated 27th February 1905 from the Superintendent Bangalore Central Jail, on the subject, is forwarded herewith for perusal.

I have the honor to be,

Sir,

From

To

Lt.-Colonel J.Smyth M.D., I.M.S.,

Offg. Inspector General of Prisons in Mysore,

Bangalore.

Sir,

With reference to your docket o.270/J dated 18/20th February 1905, I have the honor to submit that my proposal dated 2[illegible]-11-04 No.707 is for "a separate Juvenile prison" such as, I am informed, was once in existence near the female prison on the site of the Central College new hostel, and not merely for a building. I mean a separate Juvenile prison, a place including a building entirely set apart for Juveniles where they should be instructed, and where they should sleep, wash and eat quite apart from sight of adults. Strictly speaking they should not even work with adults, but I doubt if it is possible to carry this out, but if Juveniles are to be quite apart from adults they must have separate accommodation including a building, which is not possible as the Jail at present stands; therefore it will be necessary to select a piece of ground and erect a building for Juveniles. The building might be erected in the ground at the back of the Jail.

I have &cc.,

(Signed) G.Hume Wright

Superintendent

Central Jail, Bangalore.

Sir,

In reply to your docket No.J.2655/Pris.15-2 dated the 22nd March 1905, requesting me to submit for the orders of Government, a plan of the residence proposed to be built fc Juveniles, that in the meantime more definite information may be given to show why these Juveniles cannot be kept separate during the day &ca., I have the honor to state that the reason is, that by night they are placed by themselves in a barrack allotted to them alone. By day they cannot of course be confined in this barrack, but must go about the grounds and thus inevitably come in contact with the other criminals.

2. The plan of the proposed building with an estimate of cost, for which the Superintendent of the Bangalore Central Jail has been addressed, will be submitted when received from him.
